Shotgun Start	6:30am
Start Fishing	7:30am
Cease fishing	4:00pm

OVERTIME

Overtime is permitted, but the boat must have registered their hook-up with gamebase prior to cease fishing. Weigh-in will end strictly at 6pm. Boats must return to port in time for weigh-in or their fish will be disqualified.

RADIO

All tag/captures are to be reported immediately to Game Base by stating your boat name and then saying "hooked up". You also need to report whether the fish is dropped or tagged as it happens. Game Base will issue the tag/capture time which is to be recorded in the sked sheet.

NOTE: All vessels must log on with Game Base before start fishing and log off when back in the harbor or have ceased fishing for that day. Once a vessel has logged off with Game Base it is understood that they will take no further part in fishing for that day.

BOAT LENGTH

For clarification "Boat Length" will be considered as the measured length of the boat in accordance with these QGFA guides and NOT the manufacturers advertised boat length.

Specified boat lengths will be measured from the transom where the motor or outdrive of the boat is bolted to the boat. Where the boat has a pod fitted, the transom of the pod where the motors are bolted will be counted in the boat length, to the forward most point of the boat, but will exclude any bowsprit or forward projecting anchor location as per the QGFA Guideline for determining boat length.

Specified length to be determined by the Club Tournament committee and will be deemed to have been calculated in accordance with QGFA Guidelines.

The committee's decision will be final, and no further discussion will be entered into.
